INVISION
REAL ESTATE INVESTMENTS

THE PERFECT SCENARIO FOR THE BEST INVESTMENTS

Over the past two decades, Florida has become one of the world's largest investment hubs, attracting a growing number of people in search of the best business opportunities.

Among Florida's many beautiful cities, Ft. Lauderdale is located in South Broward County. The city is ideally situated on the Atlantic Ocean. With a perfect year-round climate. It is the center of international tourism with world-class restaurants, beaches and cultural activities.

INVEST WITH MORE CONFIDENCE AND TRANQUILITY

- **OUR TEAM**

INVISION Real Estate Investments has as members of the executive board Renato Lerner, Siulmary Ovalles and Peter Addison. Together, they have over 65 years of experience with many successful construction projects in several countries.

- **MISSION**

To deliver real estate investments in the USA with high profitability and rentability, along with a high construction quality level. Exceeding expectations of our investors and clients, satisfying our suppliers, shareholders and communities wherever we operate, always in a sustainable manner and with social responsibility.

- **VISION**

To be the leading real estate investment company in Florida, recognized for strength and reliability, standing out for the use of innovative technologies with qualified teams, committed to total quality and the satisfaction of investors, clients, suppliers and shareholders.

- **VALUES**
INTEGRITY

The foundation of INVISION Real Estate Investments is the integrity of our employees. We are open, frank and reliable in relationships with investors, clients, suppliers, colleagues and shareholders.

COMMUNICATION

We maintain relationships and connections with members of our company, our investors, clients, suppliers and shareholders in a fluid, sincere and transparent way.

EXCELLENCE

We chase, incessantly, excellence in everything we do, every day.

RESPONSIBILITY

We are prudent in taking risks and responsible for our behaviors, our actions and our results.
